Survey for Engineering Physics Alumni

Name:
Address:
City/State/Zip:
Home Phone:
Work Phone:
Term and year of Graduation:
   Major:

1. Are you presently employed? □ Yes □ No
   If yes, full time or part time? □ Full time □ Part time
   If no, are you presently looking for employment? □ Yes □ No
      If not employed skip to question 9

2. What is the title of your position?

   What is your current salary at this position? (optional)

3. Who is your present employer?

4. How long have you worked for you present employer?

5. In your present job, how many individuals do you supervise?
6. How long did it take you to find your first position after graduation from NMSU?
   □ Had a position lined up before graduating
   □ 1 month
   □ 2-3 months
   □ 4-5 months
   □ 6 months or longer

7. In your present job, do you participate on any teams, or on any multidisciplinary projects?
   □ Yes  □ No
   If yes, what disciplines are represented on these projects or teams?

8. Please briefly describe the primary responsibilities of your job.

9. Did you pursue graduate studies after graduating from NMSU?  □ Yes.  □ No
   If yes, where?
   Did you receive a degree?  □ Yes  □ No
   If yes, in what field and what kind of degree (e.g. MS, MBA, Ph.D., etc.)?

10. How many positions (total of employers and positions with each employer) have you held since graduating from NMSU?

11. Of these positions, how many are directly related to the training and education received in the Engineering Physics program at NMSU?
12. What would you consider as the most significant factors for success in your career?

Why:

13. Did the NMSU Engineering Physics Program achieve its Educational Objectives?

1: **Competitiveness.** Graduates are competitive in internationally-recognized academic, government and industrial environments;

   □ Strongly Agree □ Agree □ No Opinion □ Disagree □ Strongly Disagree

2: **Adaptability.** Graduates exhibit success in solving complex technical problems in a broad range of disciplines subject to quality engineering processes;

   □ Strongly Agree □ Agree □ No Opinion □ Disagree □ Strongly Disagree

3: **Teamwork and Leadership.** Graduates have a proven ability to function as part of and/or lead interdisciplinary teams;

   □ Strongly Agree □ Agree □ No Opinion □ Disagree □ Strongly Disagree

14. I am satisfied with my overall learning experience and preparation from NMSU.

   □ Strongly Agree □ Agree □ No Opinion □ Disagree □ Strongly Disagree

15. Are you a member of any professional associations?  □ Yes □ No

16. Have you received, or are you in the process of pursuing any special engineering licenses or certifications? □ Yes □ No
17. What suggestions do you have for the Engineering Physics program to better prepare students for the workplace?

Thank you for taking the time to answer these questions. Your valued input will help the College of Engineering and the Engineering Physics program better shape and implement a productive curriculum for current and future students.

Be sure to stay in touch and Go Aggies!
